Change your password immediately for security reason. Keep the password only to yourself. Access to this page will mean access to players' personal information such as date of birth, ID/passport numbers etc.

Type in old password, then the new password created by you. Then type your new password again respectively. Click “Submit”.

After changing your password, you can then go to player registration or view the player list. Click “Admin” to go back to the list of items you can do.

The screenshot shows a Windows Internet Explorer browser window displaying the 'Change Password' page of the Hong Kong Hockey Association. The browser's address bar shows the URL <http://www.hockey.org.hk/ClubPassword.asp>. The page header features the association's logo and name in both Chinese and English, along with a navigation menu including 'About Us', 'News & Events', 'Men's Hockey', 'Women's Hockey', 'Junior Hockey & Development', 'National Squads', and 'Umpiring'. A 'Google Custom Search' bar is also present. The main content area is titled 'Change Password' and includes a legend indicating that asterisks (\*) denote mandatory fields. Below this, there are three input fields: 'Old Password \*', 'Password \*', and 'Confirm Password \*'. To the right of the 'Confirm Password' field is the text 'Please type your password again'. A 'Submit' button is located at the bottom of the form. The browser's taskbar at the bottom shows the 'start' button and several open applications: '3 Internet Ex...', 'Microsoft Excel', and 'Microsoft Power...'. The system clock indicates the time is 16:30.
