PLAYER REGISTRATION

All players must be registered by 20th August 2025. It is important that all players are set as “Activating” in the system early to avoid last minute rush for the office staff and player movements within the club should be kept to a minimum once the deadline has passed. A reminder that all U18 players should have a signed parental consent form on an annual basis. This will need to be attached before registration can be completed.

We understand that new members/ player transfers may occur later than the above date after trials. However, to guarantee registration by the first league weekend, please provide all registration documents/ transfer details by 20th August 2025. For any registrations submitted after deadline, we will endeavour to process but there is no guarantee to be completed before the second league weekend.

Further information will be provided regarding the core/ non-core designation of the teams

CONVENORS' MEETING
