Please note that it is imperative that all clubs promote attendance of such courses by their players. The HockeyHKWS strongly encourages clubs to continue to comply with the condition that all clubs must have at the end of this season, no less than the same number of qualified female umpires (or female players who have passed the beginner's course and are awaiting their practical assessment) as the number of registered teams within the women's league by the last league game of the season.

UMPIRING CLUB DUTIES

100% of the team umpiring duties of Premier Division, Division One and Division Two teams and 30% of the team umpiring duties of Division Three and Division Four teams, for league matches, must be done using female umpires .

No less than the same number of qualified female umpires (or female players who have passed the beginner's course and are awaiting their practical assessment) as the number of registered teams within the women's league by the last league game of the season.

Failure to do so will result in each team of any affected affiliated club being deducted one point.

The HockeyHKWS will review the above guidelines half-way through the season.
