- 6.4. A visiting player must play a minimum of three (3) consecutive matches in the first round of the season for her registered team in order to be eligible to play in the second round of the season or in any Knockout Tournament matches. In the event that the player fails to comply with this requirement, penalties shall apply to each game in which such ineligible player plays as per the Second Schedule, unless the player was unable to play because of injury or ailment and this is corroborated by the delivery of a medical report or certificate issued by a medical practitioner registered with the Hong Kong Medical Council or equivalent foreign body acceptable to the Committee, certifying that she was injured and unfit to play the required number of matches to fulfil the three (3) consecutive match undertaking.
- 6.5. This letter must be re-issued for each season, in which the visiting player participates in the HockeyHK League.
- 6.6. Affiliated Clubs who have registered visiting players bear full responsibility for the conduct of these registered visiting players. The visiting player's Affiliated Club shall pay any fines levied because of any misconduct of a visiting player.

- 6.8. A penalty, as specified in the Second Schedule, shall be levied for a contravention of these Bye-laws. The Committee will monitor the use of visiting players and reserves the right, at its sole discretion, to take disciplinary action against any Affiliated Club found abusing the privileges of Bye-laws 6.1 - 6.6 inclusive.

 - (b) they are an U21 Player who in a Matchweek may play (i) one match for their registered team and a second match for a team in their Affiliated Club that is ranked one team above their registered team regardless of the division (i.e. if such player is registered in a “B” team of an Affiliated Club, such player may play for the Affiliated Club’s “A” team) or (ii) one match for a team in their Affiliated Club that is ranked one team above their registered team regardless of the division;
 - (c) they are a Registered Goalkeeper (in accordance Bye-Law 5.11) who in a Matchweek may play (i) one match for their registered team and a second match for a team in her Affiliated Club or HockeyHK Team that is ranked above their registered team regardless of the division or (ii) one match for a team in her Affiliated Club or HockeyHK Team that is ranked above their registered team regardless of the division; or
 - (d) the player is representing both their Affiliated Club and their HockeyHK Team, and
 - (e) the use of any of the abovementioned exceptions in paragraphs (a) to (c) above is clearly recorded in the comments on the Match Cards of both matches in which the Nominated Player, any U21 Player or Registered Goalkeeper was registered by the respective Team Captains of the teams for which they played and notified to each Umpire, Team Captain and if applicable, Match Official, prior to the start of the match.

For the avoidance of doubt, the exceptions listed in this Bye-law 7.1 shall not apply to the player movement rules for Knockout Tournaments described in Bye-laws 7.5 to 7.8.

- 7.2. Each player shall be registered for one specific team which she plays as her

designated team (save as provided for in Bye-law 5.9). A player:

- (a) who has registered for a higher-ranked team cannot play for a lower-ranked team without first obtaining the approval of the Committee;
- (b) who has registered for a lower-ranked team may only play for a higher-ranked team for a maximum of four (4) matches during the same HockeyHKWS League. This includes league, cup and tournament matches. For the avoidance of doubt, one-day divisional tournaments shall be deemed to constitute one (1) match for the purposes of this Bye-law 7.2. Once she has played five (5) matches for higher-ranked teams, she will be automatically registered for the higher-ranked team for which she has played the majority of those five (5) matches.

This Bye-law 7.2 and Bye-law 7.3 below shall not apply to the player movements of U21 Players and Registered Goalkeepers permitted in accordance with Bye-law 7.1.

All player movements must be recorded on the Match Card by the respective Team Captains prior to the start of a Match.

- 7.3. Other than U21 Players and Registered Goalkeepers, no player movement is allowed between any team in the Premier Division and the lower-ranked teams in their respective Affiliated Club or HockeyHK Teams until both (or more) teams involved have completed their first two (2) matches of the HockeyHK League.

Player Movement in Knockout Tournaments

- 7.4. No player who, at any time during the current HockeyHK League season, has been registered for a Premier Division team shall be eligible to play in any Knockout Tournament other than the Guv Dillon Cup.
- 7.5. A lower-ranked player may play for a higher-ranked team in the Guv Dillon Cup or other Knockout Tournament, subject to Bye-law 7.7.
- 7.6. No player may play in a Knockout Tournament match unless she has participated in at least two (2) league matches with any team of the Affiliated Club with whom such player is currently registered.
- 7.7. Once a player has participated for a team in one of the Knockout Tournaments, she cannot play for another team in any Knockout Tournament without the Committee's approval.

Contravention

- 7.8. A penalty, as specified in the Second Schedule, shall be levied for a contravention of these Bye-laws.

8. PLAYER TRANSFER

- 8.1. Should a player wish to transfer from one Affiliated Club to another during the HockeyHK League, the Convenor of the player's current Affiliated Club shall (i) make this intention known by written communication to the HockeyHKWS and (ii) release the player in the online registration system.
- 8.2. The Convenor for the Affiliated Club that the player is moving to should then apply to the HockeyHKWS to move the player profile within the online registration system to the new Affiliated Club.
- 8.3. Until registration of the player with the Affiliated Club that the player is moving to has been approved and completed by the HockeyHKWS, including payment of the appropriate fee, as specified in the First Schedule, the player concerned shall not play hockey for either Affiliated Club, in any match, held under the auspices of the HockeyHK. She may, however, play for a HockeyHK Team.
- 8.4. Should the current Affiliated Club refuse to release the player within a reasonable time, but, in any case no longer than five (5) working days from the date of an official request from the Convenor of the player's proposed new Affiliated Club to the Committee, the player may appeal to the Committee for the transfer to be approved. In the event of such unreasonable delay, the Committee may manually release the player and require the player's previous Affiliated Club to pay the transfer fee.
- 8.5. No transfer of players between Affiliated Clubs shall be permitted between the first day of January and the end of the HockeyHK League.

9. TEAM UNIFORMS

- 9.1. Affiliated Clubs shall submit their team uniform designs for the Committee's approval each year when they submit their league registration form. The colours of the first and second strips should be distinctively different for the shirt and the socks. Failure to do so will be considered as an incomplete registration and will therefore be subject to a late registration fee should the completed form not arrive before the deadline set by the Committee.
- 9.2. Teams shall play in the shirt, skirt, skort or shorts, and sock colours as stated on their HockeyHKWS application form and approved by the Committee.
- 9.3. Goalkeepers shall wear, over any upper body protectors, a shirt or garment of a colour different from that of their own team and of their opponent.
- 9.4. The Committee shall advise all Convenors of these colours before the start of the HockeyHK League. In the event of a clash of colours, the second-named team on the fixture, being the "away" team, shall change their shirts and/or socks. Teams should note that a clash of sock colours might occur even though there is no clash of shirt colours.
- 9.5. No team may use yellow as an official colour for its shirts. This colour is reserved for the exclusive use of the HockeyHK Umpires Section.

- 9.6. The HockeyHK logo is the official designation for the uniform of players and officials of the HockeyHK selected to represent the HockeyHK or Hong Kong, China at representative hockey matches. Affiliated Clubs shall ensure that their members do not display the HockeyHK logo on any item whatsoever unless with the express permission of the HockeyHK Council. The HockeyHK Council will view any breach of this Bye-law as a serious matter.
- 9.7. A player may not participate in any League, Cup or Tournament match organised by the HockeyHKWS unless she is:

 - (i) the colour should be in contrast to the shirt colour;
 - (ii) the number should be in a distinctive filled (not outlined) figure(s)/font(s);

 - (d) if defending a penalty corner, wearing an appropriate face guard; and
 - (e) wearing a mouthguard and protective glove is strongly recommended.
- 1.2. Base layers (such as leggings or long-sleeved shirts) worn during matches by any player should match adjoining playing kit colours as much as possible. If not, only solid white or black colours are acceptable alternatives. Players should be prepared to remove their base layers if such clothing is judged by Umpires to be causing confusion to their umpiring work.

Note: Players are advised to remove all accessories during matches to avoid causing injuries.

- 9.8. Team Captains must wear a distinctive armband or similar distinguishing article on an upper arm, shoulder or lower leg.

Contravention

- 9.9. A penalty, as specified in the Second Schedule, shall be levied for a contravention of these Bye-laws.

- (b) A First Division;
- (c) A Second Division;
- (d) A Third Division; and
- (e) A Fourth Division.

(each being a “**Division**”).

- 10.2. The competition and rules for the Premier Division may be subject to a pre-season meeting of the Committee with the local Premier Division teams of the immediately completed season and any other teams invited by the Committee.
- 10.3. The number of Divisions and number of teams playing therein may be varied by the Committee prior to the commencement of each League season to take into account of prevailing circumstances at the time, such as number of new teams entered, old teams dropping out, capacity of hockey pitches available for League matches etc.
- 10.4. The HockeyHKWS may accept teams from the HockeyHK Masters’ Section, HockeyHK Promotion and Development Section and the HockeyHKWS, to participate in the HockeyHK League. Such teams shall only be accepted on condition that they abide by all relevant HockeyHKWS Bye-laws. The Committee shall decide in which Division such a team shall play. The results of HockeyHK League matches involving these teams will count for all purposes, except that the final placing of these teams will be disregarded for purposes of determining the HockeyHK League winners.
- 10.5. New teams shall start in the lowest Division unless the Committee decides otherwise.
- 10.6. New teams wanting to enter a higher Division must demonstrate to the Committee that the team has eight (8) or more players that have been registered for a team in the same division, or higher, in the preceding two seasons. Such teams may be placed in that division as determined by the Committee.
- 10.7. No new team will be accepted once the HockeyHK League has commenced.
- 10.8. No Affiliated Club shall have more than two (2) teams entered into any single Division, with a possible exception in the lowest division.

Promotion and Relegation

- 10.9. Points for league matches will be awarded as follows:
 - (a) Win: Three (3) points

- (b) Draw: One (1) point

 - (c) Goals for
 - (d) Results between equal teams in the competition
- 10.11. The winner and first runners-up teams in the First, Second, Third and Fourth Divisions shall be eligible for promotion to the Premier, First, Second and Third Divisions respectively for the following HockeyHK League season.
- 10.12. The lowest and second lowest ranking teams in the Premier, First, Second and Third Divisions may be relegated to the next lower Division.
- 10.13. If there is still a tie (after taking into account of Bye-law 10.10) between two or more teams competing for promotion, the teams shall be declared joint winners of that Division.
- 10.14. Notwithstanding Bye-laws 10.11 to 10.13 above, the Committee's decision on the divisional composition shall be final. The Committee's decision will be communicated to Affiliated Clubs at the start of each hockey season, including any promotion and relegation criteria to the extent they deviate from the criteria set out in the Fourth Schedule.

11. LEAGUE MATCHES

- 11.1. All matches shall be played in accordance with the Rules of Hockey, as issued by the FIH unless otherwise notified by the HockeyHKWS.
- 11.2. All matches shall commence at the scheduled time as stated in the fixtures list. In the event of a late start (i.e. after ten minutes of the scheduled time) where the fault lies with one or both teams (e.g. late completion of a Match Card, goalkeeper not ready etc.) the Umpire shall record this on the Match Card. The match playing time may be cut short into four equal quarters in order for the next game to start on time or for the pitch to be handed over in time to LCSD for the next booking. This must be communicated by the Umpires to the Team Captains at the start of the match.
- 11.3. Should the entire team, for whatever reason, walk off (or refuse to continue to play), the match shall be awarded to its opponents four (4) goals to nil, or the score at the time, whichever is the higher. The Team Captain involved is required to submit a report to explain the walk off decision to the Committee within forty-eight (48) hours of the incident. The Committee will investigate the incident and refer the case to the HockeyHK Disciplinary Committee for follow up action, where necessary.

Regular 11-a-side Matches

- 11.4. Teams shall, at the start of a match, consist of at least eight (8) registered players. In the event that a team (or teams) does not have at least eight (8) players on the field of play within ten minutes of the scheduled time for the start of the match, such team (or teams) will be in breach of this Bye-law, the match will not be played and the Umpires will record the result as a WALKOVER on the Match Card. The team receiving the walkover will be awarded the game four (4) goals to nil.
- 11.5. In any regular competition (11 players on the field), if for any reason, the number of players of a team is reduced to less than eight (8) players, at the time that happens, the match shall be awarded to the opponents four (4) goals to nil, or the score at the time, whichever is the higher. The Umpires will report the reason for the above, and if there is any question of players walking off, as opposed to injury or dismissal (red card), the matter will be referred to the Committee. For the avoidance of doubt, a player who has been shown a Yellow Card continues to be a player. A player who has been shown a Red Card immediately ceases to be a player.

Walkovers/Withdrawals

- 11.6. A team which gives two (2) walkovers during the HockeyHK League (or a team in the Premier Division which gives one (1) walkover during the HockeyHK League) or one (1) walkover during the Knockout Tournaments may be required to withdraw from the HockeyHK League and/or the Knockout Tournaments by the Committee. In the event of such a withdrawal all previous results of that particular team in the HockeyHK League and/or the Knockout Tournaments will be nullified. The Convenor of an Affiliated Club or HockeyHK Team which has given a walkover in any HockeyHK match is required to explain in writing to the Committee, within seven (7) days of the date of the match, the reason(s) for the team having given the walkover.
- 11.7. If a team withdraws from the HockeyHK League or the Knockout Tournaments at any time, the Committee shall have discretion to impose such penalty on that particular team as they deem necessary.

Contravention

- 11.8. A penalty, as specified in the Second Schedule, shall be levied for a contravention of these Bye-laws. Note that different penalties apply to different contraventions.

Request for Postponement or Bringing Forward of Matches

- 11.9. Requests for postponement or bringing forward of a match on the grounds of player unavailability will normally not be entertained. However, the Committee may consider a request for postponement or bringing forward of a match if the request is made at least fourteen (14) days before the match is scheduled to take place. The Committee will advise the Affiliated Clubs within five (5) days whether their application has been granted. Requests for postponement or bringing forward shall be accompanied by an administrative levy, as specified in the First Schedule, which may be refunded at the Committee's discretion.

- 11.10. Any match in which a team has three (3) or more players absent because of national team duty for the HockeyHK squads (including as a Team Official) may be postponed if a request is made at least fourteen (14) days before the match is scheduled to take place and the Committee exercising its sole discretion, approves such request. Requests for postponement or bringing forward a match shall be accompanied by an administrative levy, as specified in the First Schedule, if the request is unable to be made at least fourteen (14) days in advance for national team duty for the HockeyHK squads.

12. POSTPONEMENTS/ CANCELLATIONS/ ABANDONMENTS

- 12.1. If an artificial-turf pitch has been inadequately watered (either by the spray system or naturally by rain), the Umpires shall make a decision on whether the match shall commence. If the match is cancelled because of this, the Umpires shall record this on the Match Card.
- 12.2. To be acceptable for play, the playing surface shall have received sufficient water to be thoroughly wet, taking account of the prevailing weather conditions.
- 12.3. The two teams shall not play a “friendly match” on the surface. If they do, they will be charged the cost of the pitch booking and may be subject to disciplinary action by the Committee.
- 12.4. If a black rain storm signal or a typhoon signal number 8 or above is in force at the appointed starting time, the match shall not commence.
- 12.5. In the event of a thunderstorm warning, and the authorities in charge of the pitch have not closed it, play shall commence/continue until the conditions are not safe for players and officials to stay outdoors. At that point the Umpires shall temporarily stop the match (noting the time remaining) and all players and officials shall immediately leave the pitch area to seek shelter. When the storm has passed (and if permitted by the ground authorities) the match shall be restarted as directed by the Umpires, taking account of the play situation at the moment of stoppage.
- 12.6. If heavy rain causes an artificial-turf pitch to become so waterlogged that play becomes difficult or even dangerous, the Umpires shall temporarily stop the match (noting the time remaining) and wait until the worst of the storm has passed and the pitch drained to a satisfactory condition. The match will then be restarted as per Bye-law 12.5.
- 12.7. For natural grass pitches, the decision on whether play may proceed rests with the venue’s authority. However, over matters of player safety, such as during a thunderstorm, the Umpires shall take responsibility.
- 12.8. In the event of a failure of the floodlighting during an evening match, the Umpires shall immediately stop the match. If the fault cannot be rectified within a short time, and the match restarted as per Bye-law 12.5, the Match Card shall be completed noting that the match was abandoned and the time remaining. The Committee shall

then decide on the appropriate action.

FOURTH SCHEDULE

PROMOTION AND RELEGATION GUIDELINES AND CONSIDERATIONS

1. The overall goal is to maintain a strong multi-level competition that is sustainable for the long term.
2. Specifically with regards to the Premier Division, the goal is to continue to expand the division. This is to ensure a strong and healthy premier competition, which will offer top players the best competition and support players competing at national team level.
3. Where possible, the aim is to have an even number of teams in each division and if not possible a similar number of league games in the season.
4. No club will be allowed more than 2 teams in a division, with a possible exception in the lowest division.
5. Subject to point 4, the top two teams in each division should have the opportunity to be promoted at the end of the season (with the exception of the Premier Division winner). Such promotion usually requires two teams to be relegated from the division they move into. If either of the top two teams cannot be promoted as a result of point 4, the third placed team will be invited and so forth.
6. In the event that the league is cut short for any reason:
